

# Pumpkin Catapult Contest

## Sponsor Information

Yes, we're talking about PUMPKINS!!! It's been 2 ½ years but we are back! We're making plans for this year's North Mason Chamber of Commerce's Pumpkin Catapult Contest hosted by our friends at Hunter Farms on Saturday, Oct. 29, 12-2pm.

This exciting event brings high school students and other skilled individuals together to build trebuchets for catapulting pumpkins over a field. How far did it go? How accurate? Several of our local companies generously sponsored this popular event in the past, and we invite you to participate again or join us for the first time. Hundreds of people turn out to enjoy this special day. Come for the contest and plan to stay for hours to enjoy everything Hunter Farms has to offer with your family. We have two levels:

**GOLD SPONSORSHIP \$500:** Includes company logos on team t-shirts, event poster, in Chamber e-news and more. You will also be announced by our emcees at the event.

**SILVER SPONSORSHIP \$125** (cash, gift card or prize items): Includes listing on event poster, Chamber e-newsletter and announcements at the event.

This is really something to see! A catapult is any device that throws an object, although it commonly refers to the medieval siege weapon. Trebuchets are a TYPE of catapult, using gravity (with a counterweight) or traction (men pulling down), to propel the arm and often employing a sling at the end of the arm for greater distance.
